### Help Needed

We have some work that needs done around the school. **Let us know if you are able and willing to do any of the following;**

- **Cutting carpet tiles** to fit as needed around the edges of the main learning center – and taping down loose ones with carpet tape.
- Continuing the work on **cutting down the size of the coat closets in the back entry – and installing dividers** - that will go in the center from the underneath of the top shelf to the top of a bottom boot shelf - to be installed in all of them.
- We need to involve every Bethel household in taking a **turn in vacuuming throughout and mopping the ceramic and tile areas** after school on Friday, or Friday evening, or on Saturday. Please let the teachers or **Tesa Vallejo.**; James, Joshua and Aaron’s mother know when you would take a turn. They’ll let you know about the key for the door. (Always warm water – never hot - on the floors – Thanks.)
- One person can take on **making sure the bathroom walls, kitchen, microwaves and lunch room tables get a good weekly cleaning.** This can be done anytime once a week – at least. Please let us know when can cover this.

Romel; James, Joshua and John’s father is taking care of disposing of the old swing set.

**Sharing work like this keeps the school running cheaper. Thanks in advance for your family’s help.**

### Things we all must watch for

**Shoes** (and hose for girls) for school must be **dark blue or black.** All other clothing is to be navy blue for pants, skirts and sweaters and ties – and **only white dress shirts/blouses.**

**Chapel starts at 8:30** – All students must be at school between 8:00 and 8:30 a.m. Only very occasional situations of being late are acceptable. One staff member is here for 8:00 – and the rest shortly afterwards. Thus, students should not be at BCA before 8:00
