

Welcome to Bethel Church - April 25, 2010

Sunday school happens in the school area during the preaching time in the 10:00 a.m. service. Then, after a short break - we come back together for more great church - we're usually done by 12:30

Please respond to a need for Bethel Church's most recently added Partners in Missions; the Nicky Sciscoe family, Missionaries to Ghana, West Africa. The Sciscoes are former Bible College students of Pastor Poitras, and they need support while they wait for visas to enter the U. S. to continue missionary fundraising. Please get an offering envelope and mark your offering "the Sciscoes".

Vision Room

4 more brief "IT" lessons by DVD are left to help our church leadership with what causes churches to have "IT" – and how to be sure to keep "IT". These lessons that remain will be covered with discussion in the upcoming Vision Room meetings. Another vision room meeting is being planned.

Our www.encounterGod.org has been very recently updated. Please visit us at the Bethel church and school's website, and tell friends about it.
