**Special thanks to the church family for the kind gifts and expressions of appreciation given to us at Christmas... and for all you mean to us all year long – Pastor & Sis. H. Poitras and family**

We would like Sis. Tina to have a **new desk too – as a sort of Christmas gift** – to be delivered and assembled before school starts again Jan. 04. She likes black together with glass - Here is what Tina chose - for its durability. A matching black file cabinet will be added. If you would like to donate please see Sis. Aida D. – no receipt available.

**Tina** – we appreciate all of your sacrificial work for Bethel Church and School.
