Special Thanks

- To those who attended the Vision Room work taking session last Sunday evening. Planning for a schedule of greeters and music schedule / service lead schedule planning for March through June, along with the leading in planning for special events like Easter, Mothers Day & Fathers Day and a monthly youth event has all been taken on. A “My Story” testimony from a Bethel member is to be written up for a Bulletin insert once per month too.
- To Chris Betts for extra work on getting more computers going for the school.
- To Trevin for special decorating that is planned for the International Dinner – with flags for all “first homelands” represented under Bethel. These flags will be left up for a while. We are glad Bethel is a growing inter-cultural church.
