

Welcome to Bethel Church – Feb. 07, 2010

Sunday school, including Youth Purpose happens during the preaching in the 10:00 a.m. service. After a break, which includes refreshments – we come back together for more great church - and then we are usually done by 12:30

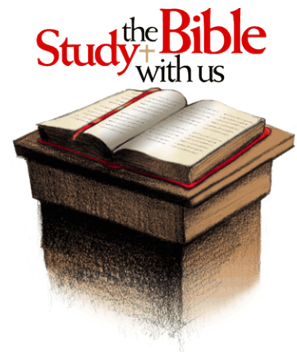

Pastor is planning to preach today on “**The Steps of Mission**” and “**The Tide is in His Hand**” in the services today.

A **summary report of Missions** mail received in January will be a part of the services today.
Thanks Sis. Aida

Vision Room Working Group – Tonight @ 6:00

... a working group is forming to meet monthly for a while to take on more prayer and some Vision Room work to assist the pastor. This will include actual work on outreach ideas, music/service schedule planning, and searching out any location possibilities that Bethel congregation should consider – along with how any of these matters would be funded, made long-term, etc. If you qualify for voting membership (as posted on the bulletin board – from the church constitution) and are willing to take on some homework from regular attendance at these monthly meetings, please come along. Church and school committee members present will assist the assigned work – and do the reporting back. Each meeting will start with a season of prayer and a short leadership lesson.

Tuesday evening’s Bible Study service will be Lesson 6 on “Commitment” that lasts in your walk with God experience. Last Tuesday the lesson was from the life of Abraham on how God meets in our stepping forward in obedience to His instruction. **See you 7:30 to 8:30** Tuesday evening.
