

## Welcome to Bethel Church – Jan. 17, 2010

Sunday school, including Youth Purpose happens during the preaching in the 10:00 a.m. service. After a break, that includes refreshments – we come back together for more great church - and then are usually done by 12:30

Sis. Tina will be teaching the lesson in the first service as Pastor is a special guest teacher in Sunday school. His plan is to do this for each class once a year. It's great for the kids. He is planning to preach in the second part of church today on God Can't/God Can.

Tuesday evening's Bible Study service will be **Lesson 2 on motivations for Commitment that lasts** in your walk with God experience. Attendance is picking up. Please join us here at the church 7:30 – 8:30 p.m.

**Just from the United Pentecostal Church Int'l alone;** the church organization a number of folks at Bethel here have a background in, there are 57,000 Apostolic believers in Haiti, with 764 ministers and 586 preaching points. Sis. Nicole Stuckey's father does missions work for our Faith also in Haiti. Please pray for the great need in that land that has been so increased with the recent serious earthquake.

### Special Thanks

- **To those who participated in the Week of Prayer & Fasting** since last Sunday; having made time for special appointments with God.
- **To Trevin and Dave** for putting together a new desk and computer equipment stand for Sis. Tina's office.
- **To Glenda** for what will be tedious work in bringing the words for each song screen saved up as high as possible on the screen to be seen best by all - seated or standing.
- **To Chris** for work on a desktop computer donated – and getting it ready for the school, for typing practice and as a research station.
- **To Tina** for work on 2009 donation receipts – now available.
- **To Nicole G. and Tom** for continued work on what is needed for each school desk.
