Vision Room Working Group

– Starts Next Sunday evening instead of tonight

at 6:00 p.m. a working group is forming to meet monthly for a while to take on more prayer and some Vision Room work to assist the pastor. This will include actual work on outreach ideas, music/service schedule planning, and searching out only location possibilities that Bethel congregation should consider – along with how any of those matters would be funded, made long[term], etc. If you qualify for voting membership (as posted on the bulletin board – from the church constitution) and are willing to take on some homework from regular attendance at these meetings, please come. Church and school committee members present will assist the assigned work – and do the reporting back. Each meeting will start with a season of prayer and a short leadership lesson.
