Welcome to Bethel Church - May 30, 2010

Sunday school happens in the school area during the preaching time in the 10:00 a.m. service. Then, after a short break we come back together for more great church – and we're usually done by 12:30

Today's second service will feature an object lesson from Sis. Poitras, and another by Nicole D. A short DVD on "The Music Box" that was worth everything will be shown. These unique lessons today will drive important messages home for the whole family.

Expect something special to be part of each Sunday 2nd service for the next while, as directed by a Vision Room "Unity Works" committee. Pastor Poitras, or someone else will still be preaching in most of these services. Also, a fundraising plan to plant seeds of faith in a church building fund is be kicked off by "Vision Room".
